Sub: Engagement of youth for geo-tagging of houses constructed under Rural Housing Schemes.

Ref:- This Department Letter no. 11927 PR&DW dated 05.07.2017

Sir,

I am directed to say that youths were allowed in each GP for geo-tagging and registration of beneficiaries of PMAY-(G) vide this Department letter referred to above, which could step up online registration. But these youths are not involved in geo-tagging of subsequent level of construction i.e. plinth , roof and completion which is taken care of by Tagged Officers.

As you know, timely payment of installments not only facilitates completion of houses but also protects beneficiaries from financial hardship. In order to further expedite timely release of installments to beneficiaries, it has been decided that the youth engaged at GP level will also be allowed for geo-tagging at subsequent level of construction i.e. plinth, roof and completion.

However, BDO is at liberty to geo-tag subsequent stages either through the identified youth or tagged officer. Honorarium @ Rs. 50/- will be paid to youth for geo-tagging for each subsequent stage of construction of house for each beneficiary.

Yours faithfully,

Director, Special Projects. 27.10.17
